## Reformulated NeutraPac® Neutralizer Gains Green Seal™ Certification

January 21, 2016 CHICAGO—PortionPac Chemical Corporation is happy to announce that its improved formulation NeutraPac® Neutralizer/Floor Conditioner (404, 410, CP404) has achieved Green Seal™ certification. NeutraPac® is the first and only neutralizer/floor conditioner on the market to have surpassed Green Seal™ GS-53's strict environmental benchmarks and performance requirements.

Green Seal™ maintains the most rigorous voluntary environmental standards in the cleaning industry. Its comprehensive approach to certification involves evaluating every step of a product's creation from manufacture to disposal.

"Green Seal™ certification of our newly reformulated NeutraPac® furthers our goal of being at the forefront of product innovation," said PortionPac® president Burt Klein. "By also offering a formulation that is free of VOCs and OSHA hazards, NeutraPac® holds the pinnacle position atop the sanitation industry for safety, sustainability and performance."

Certification of NeutraPac® Neutralizer/Floor Conditioner by Green Seal™ was achieved through extensive evaluations of effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human and environmental toxicity.

PortionPac Chemical Corporation's sanitation products are highly concentrated, pre-measured liquids designed for the safety of sanitation workers, simple and accurate dilution and effective cleaning. The improved formulation NeutraPac® joins the growing family of PortionPac® products already certified by Green Seal™, including: ScrubPac® All Purpose Cleaner, BowlPac® Bathroom Cleaner, GlassPac® Glass Cleaner, MopPacLite® pH Neutral Floor Cleaner, SteamPac® Carpet Extraction Detergent and LaundryPac® High Efficiency Laundry Detergent. For a complete list of PortionPac Chemical Corporation's certified products, please visit the [Green Seal™ website](#). Additional information about sustainable cleaning and the improved formulations of all PortionPac® detergents may be found on [PortionPac Chemical Corporation's website](#).

### About PortionPac®

PortionPac Chemical Corporation, founded in 1964, is the leading provider of pre-measured, maximum concentrate, portion control detergents. The PortionPac Chemical Corporation Pac® brand cleaning system reduces the resources used throughout a product's lifecycle of production, storage, distribution and disposal. The system minimizes environmental impact and eliminates the unsafe and ineffective habits of traditional cleaning procedures. PortionPac®, CorrectPac® and SFSPac® are divisions of PortionPac Chemical Corporation. Please visit <http://www.portionpaccorp.com> for more information.
